# ESTHER J KONTNY

---

## OBJECTIVE

In the creative field I am looking for opportunities to learn and grow from a flourishing company. I want to join a team of artists, bring innovation and a different perspective. I thrive in the ideation process using my skills as a designer, photographer and writer for production.

---

## SKILLS & ABILITIES

Proficient in Adobe Creative Suites (Expert knowledge in Photoshop, InDesign, Lightroom and Bridge). Proficient in Microsoft Word and Excel. Proficient in large format printing and Light design. Basic understanding of SketchUp and CAD. With two years of woodshop experience.

---

## EXPERIENCE

Creative Assistant | July 2017 – Present | Evolve Paleo Chef

Design and photograph all social content. Design menus, flyers and promotional materials. Assistance in rebranding company with new website and imagery. Working directly with the Art Director.

Editorial/Social Intern | May 2016 – July 2017 | Trouvé Magazine

Run all social accounts for an indie mag. Collaborate on several other projects within the designer and stylist such as print, community events, and other publications.

---

## EDUCATION

BFA – Photography & Creative Writing | May 2017

Kansas City Art Institute [Kansas City, MO 64111]

---

## COMMUNICATION

I am most productive with consistent deadlines and love to work on multiple projects so that I don't get burnt out on one thing and can bring fresh creativity to my work. I love to work on my own however teamwork is where the best ideas come.
